

DQS Inc.
Management Systems Solutions

To whom it may concern,

This letter is to confirm that Impact Label Corporation has signed a contract with DQS Inc. to move forward with the ISO 9001:2015 registration process.

Impact Label Corporation has put together an implementation timeline starting with an Internal Auditor Training assessment in December, followed by the Stage 1 assessment in July and finishing their registration process with the Stage 2 Registration audit in August to ISO 9001:2015 with the goal of gaining certification by November 2017.

For any additional information or questions please feel to call or email the contact listed below.
